Wednesday 29th April
Sunday 17th May

We are again holding a series of three Open Days at our Nursery at Plaster Pitts Farm, Near Ripon between 10:00am and 4:00pm on the above dates and we hope to meet you on one (or more!) of these occasions.

Our full collection of more than 750 Auricula cultivars will be on show on these days as well as the opportunity to obtain many 'hard to find' varieties.

Entrance to the Open Days is free and light refreshments will be available each day with the proceeds from these going to the registered charity (210729) 'Independent Age'.
